WHAT COACHES ARE SAYING

First practice was yesterday and things were great. I can honestly say that I haven't been this excited about a practice aid in a long time. Well worth the wait.

Jason Baisden EMC | Asst. Director Athletic Equipment | University of Florida

[The] most innovative ball machine on the market...It's absolutely the latest technology.

Tino Dominguez | Football Equipment Coordinator | University of Southern California

What a difference! No air pressure to worry about and no hassling with additional parts, what a time saver! I like the simplicity of this machine, there are no delays.
